FLAGSHIP EVENTS

NATIONAL MOOT COURT COMPETITION

Himachal Pradesh National Law University (HPNLU) Shimla recently hosted its 3rd HPNLU National Moot Court Competition, in collaboration with the National Human Rights Commission (NHRC), New Delhi. This year's competition was proudly supported by SCC and EBC as our knowledge partners.

Established under the Protection of Human Rights Act on October 12, 1993, the NHRC embodies India's commitment to promoting and protecting human rights. According to Section 2(1)(d) of the Act, human rights are defined as those relating to life, liberty, equality, and dignity of the individual, guaranteed by the Constitution and enshrined in the International Covenants, and enforceable by the courts in India. We are deeply grateful for the NHRC's crucial role in shaping various aspects of this event, including the moot proposition and potential questions, and for their unwavering support.

This flagship event marks our first in-person moot competition since the pandemic, and it has been crafted to offer participants a unique opportunity to explore contemporary developments in constitutional and human rights law. Our goal is to equip the next generation of lawyers with invaluable research and oratory skills.

Focusing on constitutional law, human rights, and related legislation, this year's moot proposition reflects our dedication to these important areas. We are excited to once again host this prestigious event in partnership with the NHRC, set against the stunning backdrop of Shimla's hills.

SAMANVAY INTERNATIONAL MEDIATION COMPETITION

The Himachal Pradesh National Law University (HPNLU), Shimla, is proud to announce the Samanvay International Mediation Competition 2023, following the resounding success of its previous flagship national mediation events. This competition, organized by the Centre for ADR and Professional Skills at HPNLU, marks another significant step in promoting the practice of mediation among aspiring legal professionals.

The competition builds on the positive feedback and appreciation received from participants across 32 leading law colleges and international assessors in past events. In light of the growing backlog of cases, Alternative Dispute Resolution (ADR) methods such as mediation and negotiation offer practical solutions to pressing legal challenges. The Samanvay Competition aims to ignite interest in these methods by providing a comprehensive experience that encourages participants to explore and excel in this niche area of law.

Participants will engage in realistic scenarios, allowing them to apply their theoretical knowledge in practical settings while choosing roles that align with their preferences. This hands-on approach not only breaks away from traditional theory-based learning but also equips students with essential lawyering and communication skills through training sessions conducted by industry professionals.

The competition encourages a multi-dimensional approach to reaching settlements, showcasing the diverse skills crucial for effective mediation. This initiative reflects HPNLU's commitment to advancing legal education and fostering a deeper understanding of ADR practices among the next generation of legal professionals.
