# ABOUT HIMACHAL PRADESH NATIONAL LAW UNIVERSITY

Established by the State Government in 2016, by an Act of the Legislature (Act 16 of 2016), located in the geographical terrain of Himalayas, Himachal Pradesh National Law University, Shimla, is the best place for education, developing students, understanding the law and legal system, topographies of law making, legal practices, and administration.

The institution has attracted an excellent set of teachers from all over India. The University is committed to provide inter disciplinary and practical/application based legal education, keeping in view the requirements of overall development of its students.

Hon'ble Mr. Justice Mohammad Rafiq, Chief Justice, High Court of Himachal Pradesh is the chancellor and Prof. (Dr.) Nishtha Jaswal is the Vice-Chancellor of the university.

*'Yogah Karmasu Koushalam'* meaning 'to do a skillful is a virtue' is what HPNLU family believes in.

# ABOUT THE CENTRE FOR HUMAN RESOURCE DEVELOPMENT

The Centre for Human Resource Development was established in the year 2021 under the aegis of Himachal Pradesh National Law University, Shimla.

Understanding the imperative necessity of human resource is of absolute pertinence in today's day and age, as human resource is a summation of knowledge, skills, creative abilities, talents and aptitudes of a workforce that has incredible significance in the cardinal development and overall progress of an organisation. Gathering the exigencies to understand the importance of human resource, HPNLU, Shimla brought to fore the Centre for Human Resource Development (CHRD).

The primordial focus of CHRD essentially revolves around the cardinal idea of development of human resource by fostering growth and imbibing nurturing values in individuals. It endeavours to accomplish that by organising discussions, workshops, and seminars on said subjects.

Keeping in view said objectives, CHRD organised a two-day training programme on Gender Sensitisation and Prevention of Sexual Harassment at Workplace and looks forward to organise a capacity building programme in the coming weeks of December.

## ABOUT THE PROGRAMME

Research is the systematic and objective process of gathering, recording, and analysing data for taking appropriate & meaningful decisions. It connotes patient study and scientific investment, wherein the researcher takes a more careful look at data to discover all that could be known more deeply about the subject under study. Applied research facilitates managerial decision-making and reduces uncertainty.

To keep pace with the recent advancement in any discipline, one has to be well versed with the latest developments in research methodology. Keeping in view the importance of research methodology, this 15-day capacity building programme on research methodology would focus on the nuances of conducting research and various dimensions of related disciplines, with an expansive exposure to the knowledge of various learned speakers.

Ranging from the conceptualization of research projects, preparation of research proposals, to intricate details of research methodology and winding up with the procedure of documenting

and publishing research findings, the programme would attempt to provide a comprehensive orientation on Research. Participants will be acquainted with theoretical and practical premises of empiricism in the domain of research methodology.

On the completion of the programme, participants will have developed the skills required to review literature, develop hypothesis, frame research designs, identify various sampling techniques and comprehend the role and relevance of the tools required for data collection analysis and report writing.

Keeping in view the above-mentioned purposes, The Centre for Human Resource Development at HPNLU invites applications from faculty members of colleges, universities, management executives, research scholars, academicians and students who wish to deepen their understanding on **Research Methodology, Publication and Research Ethics**.

## **OBJECTIVES OF THE PROGRAMME**

- To acquaint the participants with fundamental concepts of Research Methodology, Publication, and Research Ethics, and their *de facto* importance.
- To develop a deeper understanding of various dimensions of research, through intricate discourses on the mentioned key focus areas, including but not limited to, research integrity.
- To engage participants' mind towards adopting principles and practices as a creed, rather than ideals imposed by the rule makers.
