ABOUT THE UNIVERSITY

The Himachal Pradesh National Law University (HPNLU, Shimla), was established by the State Government in the year 2016, by an Act of the Legislature (Act 16 of 2016). The University started functioning from 5th of October, 2016. Located in the geographical terrains of Himalayas, HPNLU, Shimla is the best place for study and learning in law, developing in students, understanding about law and legal system, topographies of law making, legal practice, and administration.

The institution has attracted excellent set of teachers from all over India. The University is committed to provide inter disciplinary and practical/application based legal education keeping in view the requirements of overall developments of its students.

ABOUT THE ORGANISING CENTRE

Centre for Environment and Disaster Management (CEDM) is a specialized Centre, established by Himachal Pradesh National Law University, Shimla, for conducting socio-legal research in the field of environment protection & disaster management, and to assist the governments in making better laws and policies. The Centre aims to serve as a research and training center in the field of environmental law and policy. It further aims to initiate and promote regional, national as well as international collaboration, fund-raising for environmental cause. The center intends to achieve the following objectives:

- To inculcate environmental awareness and sensitivity about the various environmental related issues among the various stakeholders;
- To impart comprehensive knowledge in environmental law and policy;
- To develop understanding on key environmental issues relating to national and international importance;
- To develop practical skills to facilitate effective implementation of environmental laws;
- To upgrade the competencies of various professionals about the environmental issues and its protection;
- To conduct various theme-based activities on the protection of an environment and sustainability.

ABOUT THE NEWSLETTER

The CEDM newsletter “HPNLU GREEN GAZETTE” endeavors to create a space which fosters independent academic thought, inculcate a culture of research and ignite conversations on matters of environmental jurisprudence and environmental values.

With the object of furthering discussion on environmental jurisprudence and values, the CEDM Newsletter welcomes submissions from students, academicians, law practitioners & every environmental cause enthusiast on **rolling basis**.
