ABOUT THE CENTRE FOR HUMAN RESOURCE DEVELOPMENT

The Centre for Human Resource Development was established in the year 2021 under the aegis of Himachal Pradesh National Law University, Shimla.

Understanding the imperative necessity of human resource is of absolute pertinence in today's day and age, as human resource summation of knowledge, skills, creative abilities, talents and aptitudes of a workforce that has incredible significance in the cardinal development and overall progress of an organisation. Gathering the exigencies to understand the importance of human resource, HPNLU, Shimla brought to fore the Centre for Human Resource Development (CHRD).

The primordial focus of CHRD essentially revolves around the cardinal idea of development of human resource by fostering growth and imbibing values in individuals. It endeavours to accomplish that by organising discussions, workshops, and seminars on said subjects.

Keeping in view said objectives, the CHRD organised a two-day training programme on Gender Sensitisation and Prevention of Sexual Harassment at Workplace and is going to organize a virtual workshop on transactional analysis in the coming weeks of November.

ABOUT THE WORKSHOP

The workshop will concentrate on strategies through the exchange of ideas, experiences, and case studies. Participants will be able to use a set of pedagogical levers after attending the workshop, which will expand their abilities to design and facilitate learning experiences and programmes. Following the workshop, participants will be able to join a vibrant community of like-minded educators to continue learning from one another.

The workshop will concentrate on the following topics: - Importance of incorporating ICT Skills - Integrating Research and Higher Education - Holistic Education - Challenges in Higher Education - Work Life Balance. Through the workshop, we want to lay emphasis on the changing dimensions of higher education in India by sharing experiences on innovative initiatives at the institutional levels and discussing challenges in bringing about institutional transformation.

The new dimensions shall encompass the following changes: new theories and methods of teaching, Knowledge expansion, Technological revolution, Sustainable Development, to name a few. Recent developments reshaping higher education including e-platforms and other modes of online education, training of educators covering but not limiting to life skills, emotional skills, and human development skills.
