**OFFICE ORDER**

**Dear Students  
Greetings!**

**Subject:- Cautions/Warning**

As you all are aware that HPNLU Hostels are scattered from Ghanahatti to Galog. The fact that these hostels are located on the Shimla-Mandi National Highway, in the near vicinity of two big Industries i.e. Ambuja Cements and JP Industries, attracted our concerns about your safety and well-being. The continuous movement of trucks, buses etc. on the National Highway built on hilly roads with having blind/sharp curves makes these roads riskier, especially during the nights.

Since our hostels are located in private buildings, without proper gate and fencing, you all are required to take special care of your own safety.

You are also aware that keeping bikes/cars etc. in the hostels is not permitted as per the HPNLU Hostel Regulations, yet some of the residents have kept their own vehicles, though parked away from the hostels to avoid any direct violation of these Hostel Regulations. But, these vehicles are frequently entering the University premises.

The undersigned has received information that some of students come out of their hostels at night, sometimes on bikes or other vehicles, violating the hostel rules, thus inviting severe risk to their safety. You all should be mindful of the fact that the Hostel Regulations are for your safety only. No one is a winner by shrewdly avoiding a direct violation of the Hostel Regulations.

This letter is served as a warning that your above-said behaviour is not only inappropriate but also grossly negligent in view of the nature of this terrain. The above-said act is also a direct violation of HPNLU Hostel Regulations inviting strict disciplinary action.

This letter is to remind you all that our sole purpose being here is to attain the highest knowledge and skill in the field of law and the legal profession. Your health and safety is our prime concern. I hope that you all will desist from any such act which may diminish your health and safety.

Thanking You.
