**Golden Jubilee of the foundation of the State of Himachal Pradesh  
Message from  
Professor Dr Nishtha Jaswal,  
Vice-Chancellor, Himachal Pradesh National Law University, Shimla**

With a profound sense of happiness and enthusiasm, I extend the warmest and most affable greetings to the people of the beautifully great state of Himachal Pradesh on the occasion of the golden jubilee celebrations of its foundation. Himachal Pradesh came into existence as the eighteenth state of the Indian Union on the 25<sup>th</sup> of January, 1971. Ever since, Himachal Pradesh has proved to be a jewel in the Indian crown through its many stories of success and achievements. Bestowed with natural beauty of hills, exotic local traditions, flora and fauna and scenic, picturesque destinations, the state has always ignited the best of human imaginations in the country as well as abroad.

As the Vice-Chancellor of a premiere institution of advanced legal education, I, most delightfully take this opportunity to pledge on behalf of the members of my University our commitment to the service of the people in Himachal Pradesh and elsewhere. HPNLU, Shimla came into existence in the year 2016 and in the five years of its inception has done the best that it can to make the people of this state proud of having an institution of our kind. Their expectations and blessings have always shown us the right path. We affirm that we will not falter while treading on the snow clad lovely pathways that lie before us.

On this august occasion, I sincerely hope that the representatives of the people, officers, members of the judiciary, academicians, journalists and everybody else comes together to create a future for the state that is as clean, bright and promising as it has been all these past fifty years. Finally to pray that the Snow Leopards, Jujuranas, the Buranshes and the Naatis keep us all amused and rejuvenated each time that a task is accomplished!

***Jai Hind! Jai Himachal!!***
