Dear Sir/ Madam

I have been practicing Law for the last twenty-four years. I called to the Bar in December 1998.

I also lectured at the University of Mauritius as well as the University of Technology on various occasions.

I have known Dr. Rajendra Prasad Gunputh , Professor of International Comparative Law now Dean, Faculty of Law and Management of the University of Mauritius

From the year 2000 until now.

I can state unequivocally that he is very dedicated to his duties as a Law professor and also has always been helpful to many persons. I have never had any negative feedback from other persons who also know him.

I vouch that Dr Gunputh is a high performer in the field of academia in Mauritius and should be given other opportunities to shine still further.

I hold him in high esteem and have no hesitation to recommend him for higher opportunities.

Thank you
